Aunwesha Knowledge Technologies Pvt. Ltd.

2021

THE DOCUMENTS CONUNDRUM

Documents are everywhere.........

Over 500 billion MS Office documents are generated annually

Over 2.50 trillion PDF documents generated annually

80% of business related information originates in structured and semi-structured form

Aunwesha Knowledge Technologies Pvt. Ltd.

THE ORGANISATIONAL CHALLENGES

Businesses have to deal with diverse type of documents from multiple domains and functions

Large and complex documents have information dispersed and hidden in widely separated pages

Businesses require simultaneous analysis and comparison of multiple and complex documents

Aunwesha Knowledge Technologies Pvt. Ltd.

How do organisations address these formidable challenges ?

Aunwesha Knowledge Technologies Pvt. Ltd.
